Important Warning

When you sign this Application form you acknowledge that you have read and understood the following warning:

It is important to recognize that acquiring interests in a managed fund through uXchange is not identical to holding these investments in your own right. The Responsible Entity is acting as trustee to you in regards to your investments which are held on trust for your benefit. You remain the beneficial owner of your investments, receiving all the benefits such as distributions and gains, and retaining all the liabilities such as any expenses associated with your investment.

The rights relating to the underlying investments are held and exercised by the custodian under instruction by the Responsible Entity on your behalf, for example, the right to vote, receive income and to receive information and communications in relation to your underlying investments. Some of the key differences between an investment in the uXchange and a direct investment are as follows.

Investing Through uXchange	Investing Directly
<p>You will receive comprehensive reporting on all investments in your Account in one communication</p>	<p>Your reporting would be on an investment-by-investment basis</p>
<p>The custodian and the Responsible Entity (as applicable) hold title to the assets on your behalf (i.e., the legal title) while you retain the beneficial entitlement to the assets. The Administrator keeps a record of the assets held on your behalf. The custodian as the registered holder of the assets may exercise the rights of an investor or decline to exercise them in accordance with the terms of the custody agreement with the Responsible Entity, and the arrangements specified for the relevant investment. Refer to pages 23 & 24 of PDS for more information.</p>	<p>You would be the legal and beneficial owner of your investments and acquire all rights attaching to ownership</p>
<p>No communications from managers of underlying investments As the legal title is not in your name, the communications relating to your underlying investments are received on your behalf and you do not normally receive communications such as annual reports, notices of meeting and investment policies. You can request a copy of these communications and, where possible, we will provide them to you directly or to your adviser directly or through our website we will update the PDS for the manager, as soon as practicable. Refer to pages 37-38 of PDS for more information. Additional Information for more details about the differences in the communications that you will receive as an investor in the Scheme and that you would receive by investing directly.</p>	<p>You would receive regular communications relating to your assets, including annual reports, notices of meeting and notifications of changes to fees and investment policies</p>
<p>Cooling-off rights You are able to request cooling off period, which is the period of 14 days from the earlier of the day you receive confirmation of your initial application, and the end of the fifth day after the day your first investment is made through uXchange. However, if you request to exercise your cooling of rights, any assets purchased will need to be transferred of sold down to allow the closing of the Account; While the Responsible Entity is bound to take all reasonable steps to realise your investment and return the proceeds to your CMA or transfer securities, if it reasonably considers that it would not be fair to all Investors to do so then it is possible you may not be granted cooling off rights, and if your request is granted, then the money you receive back may be less than your Application Money as there may have been losses in the value of the investment on realisation relative to the purchase price, and there may be fees and costs that are entitled to be deducted. This is of particular importance for Managed Funds that have infrequent or restricted redemption windows. As a result, you should consider liquidity when determining whether to invest. Refer to the information on pages 14 and 38 and 39 of the PDS for more details about your cooling off rights as an Investor in the Scheme.</p>	<p>Cooling off rights are usually available to direct retail investors during the cooling off period of 14 days, pursuant to section 1019B of the Corporations Act</p>
<p>Voting rights As the custodian or the Responsible Entity (in some cases) holds your assets in custody, you are not the registered holder, and are unable to participate in regular or ad hoc meetings (such as annual general meetings for listed companies) nor do you have any voting rights. Refer to the information on pages 39 and 42 of the PDS for more detail about the fact that you do not have any voting rights in relation to the Managed Funds and about the Responsible Entity's Voting Policy.</p>	<p>Direct members have statutory rights in relation to meetings including the ability to exercise voting rights.</p>
<p>Withdrawal Redemption rights As the custodian or the Responsible Entity (in some cases) is generally the registered holder of the underlying investments in the uXchange, it is the direct investor and holds all relevant withdrawal rights. These rights may differ due to the custodian / Responsible Entity's wholesale client status and depending on whether the custodian/Responsible Entity was provided with a PDS or other disclosure document for the purposes of investing on your behalf. Particularly, if the issuer of an offer document through which you indirectly invest is found to be defective, then you do not have the choices that are open to direct investors, as these are rights exercisable by the custodian/Responsible Entity. The Fund Manager may impose minimum withdrawal amounts in relation to a Managed Fund holding and the Administrator may be obliged to seek the redemption of the full amount of your investment and return the proceeds to you. This in turn may result in a longer processing time for the completion of the redemption. Refer to the information on pages 21 and 22 of the PDS for more detail about redeeming all or part of your investment.</p>	<p>Direct investors are able to exercise the withdrawal rights relevant to the product. This includes the choices you are provided if an offer document is found to be defective, for example, under section 724 and section 1016E of the Corporations Act.</p>

Important Information

Additional information required under the Anti-Money Laundering and Counter-Terrorism Financing Act 2006.

In most cases the information that you provide in this form will satisfy the AML/CTF Act, the US Foreign Account Tax Compliance Act (FATCA) and the Common Reporting Standards (CRS). However, in some instances the Responsible Entity may contact you to request further information. It may also be necessary for the Responsible Entity to collect information (including sensitive information) about you from third parties in order to meet its obligations under the AML/CTF Act, FATCA and CRS. U.S. Citizens will need to use a manual form to meet the US FATCA obligations.

Terms and conditions for collection of Tax File Numbers (TFN) and Australian Business Numbers (ABN)

Collection of TFN and ABN information is authorised and its use and disclosure strictly regulated by tax laws and the Privacy Act. Investors must only provide an ABN instead of a TFN when the investment is made in the course of their enterprise. You are not obliged to provide either your TFN or ABN, but if you do not provide either or claim an exemption we are required to deduct tax from your distribution at the highest marginal tax rate plus Medicare levy to meet Australian taxation law requirements. For more information about the use of TFNs for investments, contact the enquiries section of your local branch of the ATO.

Once provided, your TFN will be applied automatically to any future investments in the Scheme where formal application procedures are not required (e.g. distribution reinvestments), unless you indicate, at any time, that you do not wish to quote a TFN for a particular investment. Exempt investors should attach a copy of the certificate of exemption. For super Schemes or trusts list only the applicable ABN or TFN for the super Scheme or trust.

By signing as or on behalf of the Applicant you declare that you have read and agree to the declarations set out above, in all sections.
